

**Designer: MICHELL LIE STUDIO**

"Limpid means marked by transparency: pellucid limpid streams. It's clear and simple in style. It stands for being absolutely serene and untroubled. How I want this to be your state of feeling when looking at my drawing." - Michelle Lie

Michell Lie's prints are printed on 310gsm Hahnemühle Photo Rag® Bright White cotton art paper, which carries a lightly defined felt structure, giving each print an incredible depth and three-dimensional appearance. This paper is acid- and lignin-free, creating an age-resistant, museum-quality art piece.

Shades within the black ink are retained in the print to best represent the original artwork and should not be seen as flaws. Watermarks on paper are a sign of premium paper quality.
