

**Designer: MICHELL LIE STUDIO**

"Beneath the dirty ground, a lot of times are sources of gold which are awaiting your discovery. But have you ever spent a second to understand where you are standing? Don't get distracted by trivial things but spend the time to get to know where you are, and where you are going." - Michelle Lie

Michell Lie's prints are printed on 310gsm Hahnemühle Photo Rag® Bright White cotton art paper, which carries a lightly-defined felt structure, giving each print an incredible depth and three-dimensional appearance. This paper is acid- and lignin-free, creating an age-resistant, museum-quality art piece.

Shades within the black ink are retained in the print to best represent the original artwork and should not be seen as flaws. Watermarks on paper is a sign of premium paper quality.
