

**Designer: MICHELL LIE STUDIO**

"How many times have you told yourself you wish you had done something, or not done something? I can only say: take it slow, listen to your heart, and be nice to yourself, and those around you. You only get to be wise that way." - Michelle Lie

Michell Lie's prints are printed on 310gsm Hahnemühle Photo Rag® Bright White cotton art paper, which carries a lightly defined felt structure, giving each print an incredible depth and three-dimensional appearance. This paper is acid- and lignin-free, creating an age-resistant, museum-quality art piece.

Shades within the black ink are retained in the print to best represent the original artwork and should not be seen as flaws. Watermarks on paper are a sign of premium paper quality.
