

Designer: KAM CE KAM

The Mausam Console with a recycled marble terrazzo top lends from the first version of the Mausam console.

Adapting the piece to incorporate a waste-reducing method, the top of the piece is made from marble offcuts set into resin, aiming to reduce the waste from the marble industry. The pieces used to create the mixed tops vary in size and color but can be customized to suit any space.

Dimensions: L120 x W60 x H45 cm

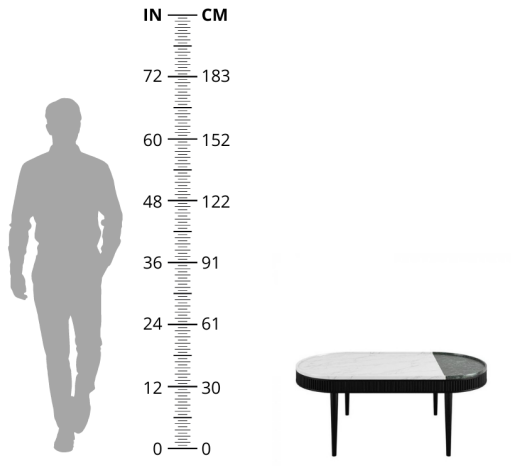

Primary Material: Wood

Primary Color: Multicolor

Available Variants:

Customization: Kam Ce Kam's products can be customized in terms of size and finish. Please contact cs@vermillionlifestyle.com with your requirements.
