Combining the elements of past and present has always been an idea cherished by the Yu Ling Dang Ru ware designer, Master Kita.

With the agate material in the glaze and the craft of pin firing, the vase feels as smooth as jade and retains an elegant grey-blue-green glaze. The round shape is especially suitable for touching and playing, which has a calming effect.

The Yu Ling Dang Ru Ware Belt Vase, also named the “Jade Belt Bottle”, has a gray colored waistline in the unique ancient imperial Ru ware style.
