

**Designer: TAI PING CARPETS**

Inspired by the beauty of animals and nature, this is a new series of petite carpets under the Playhouse Series. A journey filled with fun and full of adventures, from jungle beasts to kingfisher in the forest, the series instill lives into your living spaces.

With exquisite craftsmanship, Tai Ping's artisans condense the beauty of nature and wildlife in carpet form. Through loop and cut piles, high and low pile heights and traditional dyeing, Tai Ping vividly restores the texture of plants and the form of animals, creating a lifelike natural jungle for homes.
