

**Designer: TAI PING CARPETS**

The Raw collection explores the origins of our planet with a focus on minerals, transposing hard material into something soft and luxurious thanks to the unparalleled tufting skills of Tai Ping artisans.

Lengfeld I is designed by Noé Duchaufour-Lawrance, a French designer working across a wide range of disciplines and materials to create a unified body of work with a narrative deeply rooted in nature. Fueled by a rich creative background, Noé approaches design with an instinct and sensibility that gives form to projects ranging from architecture to furniture, interiors to bespoke, limited edition collections. He has designed a wide range of furniture collections, written multiple books, held exhibitions and completed numerous interior design projects.
