

**Designer: GOOD GOOD CERAMICS**

A small decorative vase with a flared top, this piece is part of a series exploring color and surface variation of wood ash mixed with natural minerals and fired in an electric kiln. A subtle variation in hues from green and blue to black were created by controlling the absorption of the wood ash glaze into the clay before final firing.

Dimensions: L11 x W11 x H23 cm

Primary Material: Ceramics

Primary Color: Black

Customization: This product is not customizable.
