

**Designer: TALKING TEXTILES**

When does a birdcage look the most elegant and appealing? When it is empty!

The Birdcage Tea Towel features a vintage floral birdcage motif, inspired by Deborah McKellar's original artworks - an ensemble of cultural motifs, important landmarks, chinoiserie patterns, and more.

Hang on your oven railing, use as a tray cloth for your tea set, wrap your hot toast, muffins, and eggs to keep warm, or use the tea towel to dry your dishes.

Dimensions: L60 x W40 cm

Primary Material: Cotton**Customization:** This product is not customizable.
