Have you ever been to a Kopitiam (traditional coffee shop) in Singapore and heard strange phrases being shouted out like “Kopi O” and “Teh C Kosong”?

Hang on your oven railing, use as a tray cloth for your tea set, wrap your hot toast, muffins, and eggs to keep warm, or use the tea towel to dry your dishes.

Learn the lingo and order drinks like a true blue Singaporean with the handy Kopitiam Tea Towel.
