The lotus is the most beautiful symbol of summer. The morning sun dries up the rain droplets from the night before, and the whole lotus pond is sways with the wind in the golden light.

The FengHe Bookmarks contain 3 forms of the lotus - the flower, the leaf, and the bud. Each vein of the flower is meticulously rendered onto the high-quality brass and the gold plating adds a touch of luster and luxury.

The brass bookmarks - with 18K gold-plating - demonstrate an experienced technique and quality. Each set of bookmarks comes packaged in a beautiful gift box.
