

**Designer: MU16**

Inspired by rainbows, the Dolce collection represents the sweet taste of life. Originally designed in-house by MU16 team, the glass is hand-blown and hand-painted. The coloring is resistant to washing and thus extremely durable, having received international food-grade certification. The glasses feature a hot-edge technique and a lasered MU16 logo.

This pair of crystal glasses comes in exquisite gift packaging.

Dimensions: L8.5 x W8.5 x H10.5 cm
