The Panda Soy Jar Candle features the original G.O.D. illustrated panda imparting knowledge from the 3 wise monkeys: hear no evil, see no evil and speak no evil.

The giant panda is the rarest member of the bear family and is considered to be China's national treasure. With a diet mostly consisting of bamboo, pandas have large distinctive black patches around their eyes, over their ears and across their body. In Chinese, their name translates to 'bear cat'.

This candle has a fresh lemon verbena scent. The reflective gold inside the jar adds to the brightness and dance of the candlelight.

G.O.D. jar candles are all made of natural and biodegradable soy wax. Due to their lower melting point as compared to paraffin wax, soy candles burn slower which prevents tunnelling and provides a soot-free, even burn.
