Designer: G.O.D.

The Green Forest Double Coin Soy Jar Candle features the auspicious interlocking double coins symbol representing wealth and prosperity in Chinese culture.

Decorated with the iconic double coins in brass, this candle comes with a clever matching cover which helps to extinguish the candle, limiting exposure to fumes while also serving as a candle holder when the candle is lit. The reflective gold inside the jar adds to the brightness and dance of the candlelight.

G.O.D. jar candles are all made of natural and biodegradable soy wax. Due to their lower melting point as compared to paraffin wax, soy candles burn slower which prevents tunnelling and provides a soot-free, even burn.
