

**Designer: G.O.D.**

Yaumati is one of the most densely populated areas in the world. Residents here ingeniously construct metal extensions to their cramped living spaces. The result is a wonderful patchwork of great individuality covering the otherwise bland multi-story buildings.

The Yaumati Cushion Cover is inspired by Hong Kong's unique vernacular architecture.

G.O.D.'s signature print cushions can be mixed and matched to add a bright centerpiece on a plain color sofa or bedspread.
