

### **Designer: G.O.D.**

Beloved in Chinese culture, goldfish are believed to invite wealth, prosperity and harmony into your life because the Chinese word for 'fish' sounds like the word 'abundance'. They are also a symbol of strength.

The Goldfish Cushion Cover is an ode to the auspicious symbol.

G.O.D.'s signature print cushions can be mixed and matched to add a bright centerpiece on a plain color sofa or bedspread.

Dimensions: L45 x W45 x H0.4 cm
