

**Designer: MYLÈNE VIGGERS ART**

This is an original oil painting by Mylène Viggers, a French artist based in Singapore specializing in plein air (outdoor) oil painting.

Whether adventuring deep into the jungle with her easel, paints, and brushes, working in her garden, or at a local park or beach, she loves to observe the optimism and joy of the nature that surrounds her and to capture the scenes and colors on her canvas. With bold and instinctive brush strokes, applying deliciously thick oil paint, her paintings communicate a sense of the abundance and exuberance of the tropical plants and trees that grow profusely around her. She lets her imagination burst out through the use of a palette of bright colors.
