

Designer: LATITUDE 22N

Bring the familiar disposable food tray into your home with this quirky porcelain version by Latitude 22N. The Night Market Bento Box Tray is perfect for a TV dinner with room for 1 main dish and 3 sides or appetizers. It can even be used as a decorative piece to store keys, pocket change, or trinkets.

Give a touch of lightheartedness to the table with the whimsical Night Market Dinnerware collection. Inspired by the vibrant and chaotic atmosphere of Chinese street markets, the patterns adorning the plates, bowls, spoons, and small dishes of this collection are filled with humor - watch how the traditional classic blue and white “chinoiserie” patterns mingle with scooters, flip flops, fleets of TV antennas, or how chopsticks knit noodles over bowls of soup with exploding rice cookers. With a variety of shapes and patterns in each set, have fun, mix and match, and bring an unexpected twist to your table.
