

Designer: MS. CHU

This gel-based moisturizing lotion feels light on skin and yet nourishing enough to keep skin soft and supple. Active ingredients such as hyaluronate and aloe vera juice help skin retain large amounts of moisture. This natural formula is designed for daily use to keep eczema at bay.

Directions for use: Apply on face, body, hands. Recommend to apply immediately after a shower to retain moisture of skin. Apply frequently throughout the day as and when skin experiences dryness.

Dimensions: L6.5 x W3.5 x H15.5 cm (100ml)
