Luxury tea and premium alcohol share a lot in common yet are rarely seen together, let alone combined. MoreTea's Spirit Tea Collection brings together the richness of premium spirits and the refinement of luxury tea to create new taste sensations for the discerning tea drinker's palate.

Persimmon is a tart and sweet summery fruit popular in Asia, particularly South Korea. The Dried Persimmon Tea captures the essence of the fruit paired with a mild black tea as its base.

Blended together they create a smooth and tangy fruit tea that is a wonderful accessory on a warm summer's day.
