

**Designer: SELVAAGE**

SELVAAGE products are designed based on a foundation of green thinking and with the purpose of inspiring the outdoor adventurous side in everyone.

These functional multi-pocket shorts are made using 100% recycled nylon with a matte crinkle effect. The shorts are water repellent and complete with a snap button closure, 2 zippered pockets, 2 flap pockets, and 2 open pockets.

Size Guide: [Click here for size chart.](#)

Primary Material: Nylon**Available Variants:**

Customization: Customizable upon an order with MOQ of 100 units. Can be a special color request (with limitations), an additional logo, or a special feature. For an order of lower quantities, there may be room for a small printed or embroidered feature, e.g. logo or message.
