

**Designer: PETER YUILL**

This piece was inspired heavily by author Aleister Crowley's pivotal piece "The Book of the Law". The title of each art piece from this series is in line with the themes of the book.

Peter Yuill's work is a combination of highly technical and complex ink drawing and painting on paper. His obsession with doing all the work by hand and being deeply involved in every aspect of making the art speak to the deeply meditative and spiritual connection he has with the process of making each piece.
