

**Designer: LOUISE HILL DESIGN**

Each of Louise's 'Little Chinese Windows' depicts a curated vignette of objects arranged as a still life image with image details layered over the top.

In this instance, a beautiful Jingdezhen turquoise blue teapot and teacup from the 'Famille Rose' color palette sit on some silk found at the Shanghai fabric market. In the background, used as a backdrop, is a delicate silk scarf. Given to Louise by her friend who she had met while living in Shanghai many years ago, it was painted by her friend's talented Grandfather. Added to the scene are photos taken of white blossoms, peonies, and a little feathered butterfly bought in the Hong Kong bird & flower market.
