Small and lightweight, this Flowing Water Blue And White Porcelain Tea Set is portable, easy-to-hold, and suitable for different occasions from gatherings to travel.

The simple and practical teapot feels homey with a renewed, smooth design that combines wood, bone china, and metal to give a multi-layered, modern aesthetic. The 400ml capacity of the teapot is just enough to lock in the tea's natural taste while the tea cups allow for a big sip. Go for the small pleasures — sit down amid a long day and enjoy a cup of tea.

Each set includes 1 teapot and 2 teacups.
